### Dear Neighbor,

On behalf of the City of Carlsbad, it's our pleasure to welcome you to another fun-filled season of TGIF Concerts in the Parks.

For more than 30 years, TGIF has brought our community together through music, food and fun under the summer stars. Nine bands are scheduled to bring the rock, country, jazz and soul back to our parks this season. The community park locations are the same – Stagecoach, Poinsettia, Calavera Hills and Alga Norte - but the order is a little different this year. Please check page 5 of the program to make sure you don't miss a beat.

Everything you've come to know and love about TGIF is back in 2017. Pack a picnic basket from home or let one of the delicious local onsite food vendors serve up dinner and treats. Grab the kids and head over to Family Open Studios for free, hands-on art making activities for all ages. Cultural Arts Office staff are always on hand to assist with your masterpieces.

To ensure your concert experience is smooth and stress free, we encourage you to take advantage of the free shuttle service from nearby sites or to consider ridesharing options. Parking onsite is extremely limited and reserved for those with special needs and TGIF personnel.

TGIF would not be possible without our longstanding community partnerships. The Carlsbad Friends of the Arts, a major sponsor of these concerts, make an immeasurable contribution to the arts in Carlsbad and help create the thriving, creative community our residents cherish. A big thanks goes out to PCH Litho, Inc. for printing this vibrant souvenir program. And of course, our gratitude goes out to all the businesses and individuals who provide financial support to TGIF by advertising in this program.

Special recognition is due to staff from many city departments, including our colleagues in the Library & Cultural Arts, Parks & Recreation and the Public Works departments, as well as the Police Department, its young volunteers in Explorer Post 781 and the Senior Volunteer Patrol. They ensure the concerts are safe, clean and fun for all.

Finally, a special thank you to the City Council for its continuing commitment to the arts in Carlsbad. TGIF Concerts in the Parks is just one piece of a larger plan to support the arts in the community. We are currently working on a new Arts & Culture Plan to identify community priorities for arts and culture in Carlsbad over the next 10 years, along with specific ideas to support these priorities. The plan will develop a roadmap to continue the growth of arts and culture in the community. There will be plenty of opportunities for public input along the way, including workshops and online surveys. We encourage you to visit www.carlsbadca.gov/arts to find out more about the process.

We look forward to seeing you at the parks this summer as we come together to celebrate music, family and our Carlsbad community.

Happy TGIF,

City of Carlsbad Library & Cultural Arts Director

# Robert Jon & The Wreck

### July 7

Robert Jon & The Wreck is quickly becoming a force to be reckoned with. Based out of Orange County, this quintet is dedicated, driven, and committed to giving their fans a powerful rock and roll show – night after night and town after town. This team of follicular proficient troubadours isn't slowing down anytime soon, recently releasing their sophomore album, *Good Life Pie*.

### The Routine

### **July 14**

The Routine is a five-piece rock collective from San Diego that defies categorization in today's genre-driven media cloud. A sonic melting pot of electric blues, soul and world styling, they are not simply a band. And they are anything but "routine." Russell Ramo, guitar player and son of Syrian immigrants, explains, "Just by looking at us, you see the story of global artistic culture: Black, White, European, Middle Eastern and Latino. We epitomize diversity and the strength of its unity."

Soul/Rock/Funk

### **Feufollet**

### **July 21**

While Feufollet remains central to the neo-traditionalist brush fire they helped ignite as youths, their album *En Couleurs* found the band coming into its own and pushing the envelope, leading the way once again as Cajun music extends itself into a new century. It was praised by the *New York Times*, *Garden & Gun* and Elvis Costello who proclaimed "En Couleurs is the most beautifully melodic album I've heard all year."

It's easy to have fun at TGIF Concerts in the Parks. And to ensure that everyone can make the best of these special events, please read and follow the guidelines below.

#### Arrive after 4 p.m.

Concert sites will open to the public at 4 p.m. No audience seating or picnicking of any kind will be allowed on-site before 4 p.m. Live performances are from 6 to 8 p.m., with an intermission and the opportunity drawings at 7 p.m.

#### **Park Smart or Rideshare**

All temporary parking signs will be enforced. There are a variety of ways to make your arrival easy. Utilize the loading zones, relax on the free shuttles from nearby parking lots or arrive in style with a rideshare service. More information on Parking and Shuttles on page 23.

#### **Keep a Low Profile**

The front center section at every concert will only be open to low-backed chairs (with a seat that is 8 inches or less from the ground), picnic blankets or other on-the-ground options. In all other

sections, it is recommended to bring low backed chairs for visibility purposes, but we understand that some audience members require a specific seating option due to limited mobility.

#### Shade

Umbrellas are welcome until the music begins. After the concert starts, all umbrellas or shade structures of any kind must be folded up and put away to ensure sight lines for all concertgoers. The only exception is directly along the back fence, where umbrellas or shade canopies can remain up during the performance.

#### **Keep Aisleways Clear**

For everyone's safety, audience members may not stand, sit or dance in the aisles. The dance floor in front of the stage is reserved for dancing.

#### **Watch Your Kids**

Children are always welcome, but please keep a watchful eye on them and keep them with you at all times. Any young artists visiting Family Open Studios must be accompanied by an adult.

#### When the Music Stops

Concerts end at 8 p.m., and all audience members must exit the park by 9 p.m.
The event staff and stage crew need a safe environment to return the park to its pristine state. Your cooperation is most appreciated in leaving the park in a timely manner. Remember, last shuttle is at 9 p.m. and parking lots close at 9:30 p.m. sharp.

#### **Code of Conduct**

Any and all directions from TGIF staff, security or Carlsbad Police will be followed for the safety of all guests. If any behavior of concert attendees adversely affects any other party's enjoyment of the performance, or is determined to be unsafe, the attendees in question will be asked to cease that behavior immediately and may be asked to leave.

#### No Pets

Pets are not allowed in city parks at any time, and any on-site dog parks will be closed after 3 p.m. on concert days. Please leave your pets at home. Service animals as defined by Title II and III of the Americans with Disabilities Act are welcome.

#### **Prohibited Items and Activities**

Items and activities that are not allowed at any time during TGIF Concerts in the Parks include but are not limited to:

- Smoking or vaping of any kind is prohibited within city parks at any time
- Bicycles inside concert venues. Bike racks are available at the entrance of every park
- Banners or large signs
- Personal barbeque pits or grills of any kind
- · Weapons or drugs of any kind

Carlsbad Municipal Code 11.32 defines unlawful acts in Carlsbad parks and beaches. During TGIF concerts, violations of the Municipal Code will be enforced. Important highlights include:

- Sales of any items (both for profit and non-profit) are not allowed without a valid permit issued by the City Council.
- Distribution or posting of any handbills, circulars or advertising devises is prohibited. Conduct or solicitation of any business is prohibited.
- Cooking with fire is limited to designated barbeque pits provided in the park. No personal barbeques of any kind are allowed at city parks.
- Individual groups are not allowed to arrange for privately catered on-site food or beverage service within concert boundaries.

Any conduct that is not specifically noted by these rules is prohibited during TGIF events if it interferes with, or disrupts another visitor's peaceful enjoyment of a performance, endangers public health or safety, may damage park property, or is prohibited by applicable federal, state and local laws.

### **Helpful Hints**

Concert venues open at 4 p.m. (no access for setups beforehand), performances are from 6 to 8 p.m., and concert venues close at 9 p.m. All concerts are outdoors with free admission. While at the concerts, make sure to:

#### **Eat**

This year's on-site food vendors are affordable, convenient, and offer something tasty for everyone.

#### **Drink**

Even though City of Carlsbad's Municipal Code prohibits glass containers in city parks, the city recognizes that TGIF picnickers traditionally bring glass beverage containers to the concerts. So, just for TGIF Concerts in the Parks, the city has issued a waiver of this regulation. If you do come across any broken or discarded glass, please alert the concert crew so it can be safely taken care of immediately.

#### Recycle

The city is proud to have a strong commitment to recycling and reducing landfill waste. TGIF concert goers recycle an average of three tons of materials every concert season! Thank you for doing your part by separating empty bottles and cans from your trash and placing them in the blue recycling bins.

#### Dance

Everyone knows TGIF is a time to dance the night away! In order to avoid anyone being jitterbugged on, seating, picnicking and any and all blankets, chairs, picnics and related items are restricted to designated grass areas.

### Opportunity Drawings with Carlsbad Friends of the Arts

You can win some great prizes in the Opportunity Drawings organized and conducted by the Carlsbad Friends of the Arts. Funds raised through the Opportunity Drawings not only help support these TGIF concerts but other programs organized by the city's Cultural Arts Office. The Friends also have some terrific souvenirs available at their table at each concert. And we encourage you to support arts and culture in Carlsbad by becoming a member of the Friends this summer too.

#### **Parking at TGIF**

Parking in lots adjacent to concert locations is reserved for handicap placards/license plates and TGIF personnel. Any other parking on site or in surrounding streets will be extremely limited. Audience members are encouraged to park in designated offsite parking lots that are within walking distance of Stagecoach Community Park, or utilize the free shuttle to and from concert locations at Poinsettia, Calavera Hills and Alga Norte community parks from 4:30 to 9 p.m.

All parks have a designated loading zone for dropping off passengers and belongings. Or, avoid parking altogether and take a rideshare service and get to and from the park. See page 23 for more parking details and information.

760-602-2090 arts@carlsbadca.gov Welcome to the 32nd season of TGIF Concerts in the Parks. As the Cultural Arts Office's longest running program, the first TGIF concert was in the summer 1986 – the same year the office was founded.

Since the beginning, the Cultural Arts Office has worked to make arts and culture an integral and inspiring part of the community, through a variety of programs and services. The Cultural Arts Office seeks to create connections among artists, cultural organizations, community groups, businesses, visitors and residents that sustain and promote a thriving, diverse and creative city.

In addition to the Cultural Arts Office programming in 2017, the City of Carlsbad has started the planning process for a new Arts & Culture Plan. The plan will develop a roadmap to fulfill the community vision for arts and culture in Carlsbad. We've worked with the community seeking input on the plan in the spring and will continue this summer. A draft of the plan is anticipated to be ready for review this fall. For more information, visit our website at www.carlsbadca.gov/arts.

- · Family Open Studios at TGIF takes place at every concert.
- Family Open Studios On-the-Go takes place at our Sculpture Garden and other community events.

**Partnership Programs** are important in Carlsbad. The California History and Art Program at Leo Carrillo Historic Ranch is a partnership between the City of Carlsbad's Parks & Recreation Department, Library & Cultural Arts Department and the Friends of Carrillo Ranch, Inc. The program reaches 1,300 fourth grade students each year. There are other rotating partnership opportunities explored by the Cultural Arts Office each year.

**Summer Arts Camps** include Club Pelican, partnering with the Batiquitos Lagoon Foundation, where science and art unite in one amazing camp, and Creative Arts Camp, a collaboration of the visual arts and theater.

#### **Arts Grants**

**Community Arts Grants** offer financial support to organizations and individuals for projects and activities that provide quality arts and cultural programming to Carlsbad residents and visitors.

### Many thanks!

It takes the commitment and generosity of many people to produce the TGIF Concerts in the Parks and this accompanying TGIF Souvenir Program – and to make sure they both continue to be offered free to the community. We couldn't possibly do it without our generous donors and partners; a special note of thanks to them all.

As you can see, TGIF Concerts in the Parks has a tremendous number of supporters, friends and vendors. But wait ... there's more! By the end of the summer we'll have even more people, businesses and organizations deserving our gratitude.
